

Goose Day Hoop

EDITION 216 - 05/01/2018

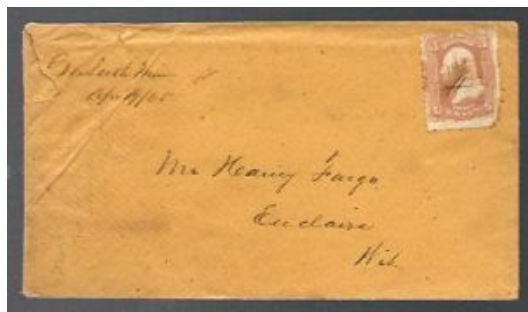

This Saturday will have a presentation on Postal History by Joe Johnson followed by the monthly board meeting.

The library is now open Monday through Saturday from 10:00 AM to 2:00 PM. There will also be clubs utilizing the space at other times. You are welcome to come for a visit or to join and support the library.

The red box program has been greatly expanded with many stamps added. If you haven't looked in the last couple months, you have not seen the new additions including countries that we did not have in our selection before. It is a great way to fill the holes in your collection.

The mission of the library is and always has been to support and promote philately in the Midwest.

My cover this week is an early Duluth cover with a manuscript cancel dated April 17, 1865. The Duluth post office is listed as Du Luth from 1857 to 1874. I have never seen a territorial Du Luth cover. In 1874 the name was officially changed to one word as few were using the two word spelling anymore. I always thought that Du Luth was an Indian name. It is actually named for the first known European explorer of the area, Danile Greysolon, Sier du Lhut.
