

# Gooseday Hoose

EDITION 230 - 08/14/2018

This Saturday is a work day at the library.

The library is now open Monday through Saturday from 10:00 AM to 2:00 PM. There will also be clubs utilizing the space at other times. You are welcome to come for a visit or to join and support the library.

The red box program has been greatly expanded with many stamps added. It is a great way to fill the holes in your collection.

The mission of the library is and always has been to support and promote philately in the Midwest.

Golden Valley is having Internet Stamp Auction #321. It has over 2500 lots. This will close on August 22<sup>nd</sup>. Go to <http://www.gvstampauctions.com>

At the Minnesota Stamp Expo I ran into a collector that specialized in advertising postal cards. He showed me a couple he had found. After the show I dug through a couple boxes of old postal cards at home. I found quite a few and here are a couple examples of what he collected. Three of these are nineteenth century. What he showed me was primarily 1910's through 1940. I am always interested to hear someone talk about their collecting passions. I did not get his name and he said he was from Illinois, but in case anyone shares his passion I decided to make these this week's show and tell. The last picture is the postal card side of two of these.
